**Michigan Attorney General Mike Cox today proposed a set of guidelines to the Michigan Legislature to address concerns with Blue Cross Blue Shield of Michigan (BCBSM) legislation for the new legislative session.**

*"The Coalition For A Fair & Competitive Insurance Market commends Michigan Attorney General Mike Cox again for recognizing the anti-competitive threats associated with Blue Cross Blue Shield of Michigan's expansion proposals. We're encouraged the Attorney General has recommended guidelines to the Michigan Legislature that call for appropriate steps be taken to assure the Blues do not further abuse their franchise and monopoly market position. We look forward to reviewing the details."*
